

Christ to the World™
MINISTRIES

C A M B O D I A

Christ to the World Ministries began its outreach in Cambodia sharing the gospel of Jesus Christ in 2008.

We began with our broadcast partner, the Far East Broadcasting Corporation (FEBC), the translation and production of the radio drama series, *Persons Who Met Jesus* in April and began our first broadcasts in August. The program series is translated and produced in the Khmer language from our studios in Phnom Penh. We also are adapting our printed Bible study guides that provide the listener a simple application of the central truth of the scripture and the path to accept Jesus as Savior.

We believe many hundreds of thousands of listeners will hear and understand the message of Jesus Christ, many for the very first time, from the radio drama series. Many individuals and families will come to know the one and only true God and accept Christ as Savior and Lord. It takes courage and is a walk of faith for many.

Country Profile: Cambodia is a country of over 14 million people. Buddhism has been the national religion since the 15th century. The Khmer Rouge sought to eradicate all religion in the 1970s; 90% of the Buddhist monks and most Christians were killed. **Since the early 1980s there has been a period of religious tolerance and since the 1990s Christians are able to worship openly. There is reason to believe that the increasing religious freedoms will open many doors for Christian witness,** but the spiritual darkness of Cambodia must be lifted by prayer and action. The vast sex industry involving children, Cambodia's very high rate of child abandonment and HIV are serious problems affecting this country that must be resolved.

In December 2007 Dr. Billy Kim, President of FEBC-Korea led a revival in the National Soccer Stadium, and the Christian event was televised. We believe millions of Cambodians for the first time heard the Christian message of Jesus Christ. We believe this event will be a catalyst to open many doors and expand the influence of FEBC in Cambodia. There is reason to hope for the openness for many Cambodians to receive and respond to the gospel of Christ.

Our Broadcast Partner: We are blessed to partner with FEBC, one of the largest Christian broadcasting networks in the country of Cambodia. Producing programs and broadcasting in selected cities throughout the country, the FEBC partnership with Christ to the World currently and in the future will result in reaching many people in Cambodia.

Prayer Needs:

- Pray for the translation and production of the radio drama series and Bible study guides, for the actors and the post-production studio requirements. It takes up to 16 hours to translate each script into Khmer.
- Pray that non-Christian listeners will receive the much-anticipated broadcasts with open minds. Pray that they will understand the gospel message and that the Holy Spirit will open their hearts to accept Christ as Savior.
- Pray for the freedom of Cambodia Christians and their leaders to proclaim the gospel without intimidation.
- Pray for the FEBC broadcasting partners and for the increase in effectiveness of the grass-roots efforts.
- Pray for our vision for the lost and to take the gospel to every person throughout this country.
- Pray for effective Christian leadership, the planting of churches and Bible training.

GO AND MAKE DISCIPLES OF ALL NATIONS.
