Christ to the World Ministries is undertaking the challenge to share the gospel of Christ with the people of Yemen. Production is planned for fall of 2009 and working with Far East Broadcasting Association (FEBA) from the island of Cyprus. Broadcasting the stories of Jesus to country with a long and current history of violence will be challenging and rewarding. Many believe that Yemen is one of the most dangerous countries in the world today and is the breeding ground for terrorists.

We pray and believe that many people will come to the understanding and belief in Jesus Christ as Lord and Savior. And that hearts and attitudes will be changed.

Country Profile: In a country where nearly every person has felt pain of war and prejudice, for many the hope for today, tomorrow and an eternal life through Jesus will be a welcomed message.

Once a country famous for myrrh and frankincense, drugs now have become a mainstay used by 40% of its people and a large part of its economy.

Although it is illegal for non-Muslims to proselytize and for Muslims to become Christians, we know from our experiences in other countries with like restrictions that many people who hear the Word of God and the stories of Jesus that they become secret believers and share their story with others.
